March 19, 2014

Dear Program Director,

It is my pleasure to write in support of the application of Mr. Ian Harris for your residency program. I have been an educator for decades with considerable experience with national organizations. I worked closely with Mr. Harris during his third year clerkship as well as during his acting internship. As is evident from his CV, Mr. Harris has excelled throughout his career with many notable accomplishments which I will not repeat here. I will focus on my experiences with Mr. Harris, primarily those related to his clinical abilities and which demonstrate the qualities necessary for your residency: excellent knowledge, clinical skills, patient care, and leadership. I have observed Mr. Harris in both the inpatient and outpatient setting, taught him in class, and overseen his performance during his clerkship and acting internship.

In addition to considerable intellect and exemplary performances on standardized examinations, Mr. Harris is a warm, engaging individual who teaches others by example, is inclusive, and consistently exhibits curiosity and motivation to learn. He comes prepared for all types of learning situations, having researched the relevant topics so that he can provide quality care as well as participate actively in class and clinical supervision. Mr. Harris is articulate, well-read, and able to utilize his knowledge effectively in the clinical setting. In addition to prioritizing his own learning, Mr. Harris considers the needs of others. On multiple occasions, he has arrived in clinic with handouts on relevant clinical topics tailored for the rest of the medical team. He has been described as one of the best students to rotate on our
